Assessor Comments	Noted performing steers bred out of volume Angus and Angus/Poll Hereford x Cows that are being sold early this year to make room for increased breeding numbers. Normally sold later in the year at big weights for their age, and given the opportunity these boys should reward the purchaser in kind when shown some quality feed. Bred by high end Hazeldean and Glenruben Angus bulls and generally out of large framed Angus/Poll Hereford x Cows, the majority of the steers will be a second cross Angus with bulls selected for positive fats, IMF, EMA and 400/600 day weights. Mob contains 7 Angus and 40 Broken Baldy/Baldy faced steers. Greenham Never Ever and/or PCAS Grassfed Declarations available on delivery at buyers request.
