Weaners easy to handle, would be perfect for a first time farmer

Handled With: Bikes

Assessor Comments: Exceptionally quiet young Heifers . Vendor bred & bucket reared on farm, out of a productive line of milkers, by Belgium

| | |
|---|---|
| | Blue & Angus sires. Heifers that have not been spoilt during an unforgiving start to the year, having been thrown out the back paddock and left to do it themselves for the majority. Ideal lot of little cattle that won't eat much and already know how to take care of themselves! Perfect small investment cattle for the kids, or a hobby farmer wanting some low maintenance lawn mowers. ** Please note 2 did have pinkeye scares ** **Vendor also has steer portion in sale** |
