	Heifers moved well through the yards. They were not aggressive but moved quickly between pens. They were fast in to and out of the crush. There was a surplus of people in the yards at the time.		
Handled With	Bikes , Dogs , Horses		
Assessor Comments	A good line of 2nd calf Plumthorpe Station bred heifers PTIC to Angus bulls of Booroomooka and Bowen Blood. They are out of a large Angus breeding herd that have selected for strong breeding traits and feedlot performance. These heifers are part of a larger run and will be split as a run at the gate. There is also a small mob of baldies out of the same stable in the sale.
