| Assessor Comments  | On offer a quality line of PTIC Red Angus and Angus Cross Heifers. Heifers averaged 464kg full at assessment and are well grown for their age. Heifers are PTIC to carefully selected Booragul Angus bulls to calve over a 9 week period. Heifers are an ideal trade article or to keep as future breeders.                                                                                  |
| Assessor           | <b>Daniel Coulthurst (Level 3 Accredited)</b>                                                                                                                                                                                                                                                                                                                                                |
