|                               | Assessor Comments                                                                                                                                                                                                                                                                                                                                                                     | A small lot of Angus and Angus X cows and calves. These females range in age from heifers through 8 years - all sound mouths. Ready to be rejoined. 1 cow tested pregnant on 7.8.24. A few cows had a slight cloudy eye not detrimental. 6 Bull calves not marked & 8 heifers calves. Given the opportunity and a good spring on its way, these cows should do a good job on their calves and breed on. Only being sold due to a change of direction in the vendors cattle operation. NB Vendor has 3 other lots in same sale. |                         |                     |                         |      |  |
