Notable Traits	Traits			
	1 Head Blue eye/Pink eye scaring			
Assessor Comments	A line of exceptional quality, spring calving PTIC Angus heifers. Purchased directly from the Reiland Angus commercial herd the quality of these females is outstanding. They display all the attributes you would like to see in young breeders good type, temperament, depth and plenty of style. The heifers show excellent weight for age and will mature into large frame, deep bodied breeders producing quality progeny for many years to come. They are in ideal condition for this stage of the pregnancy and are up to date with health treatments. The heifers are all joined to an excellent Reiland sire(EBV'S Attached). These cattle would be an asset to any Angus breeding operation. All the hard work has been done and they are beautifully prepared for a spring calf.			
Assessor	Kenneth Miall (Level 1 Accredited) Phone: 0427 135 974
