Assessor Comments	Small mob of PTIC heifers. All carry positive pregnancy test to ultra low birthweight Jade Park R72 which is in top 25% for breed for calving ease & top 9% for birthweight (+1.6) Heifers were purchased from Myrtleford feature sale in march 2023 and have had no special treatment since. Despite a tough autumn & winter, heifers should go on given an opportunity. Quiet heifers joined to low bw bull present an opportunity coming into the spring.
