Assessor Comments	A quality line of Angus cross steers that are weaned, handled & present in store condition. The steers in this lot display great frame, length, softness and type making them ideal steers to background out to heavy feeder weights. These steers are all sire by quality Eaglehawk & Glenmorgan Angus sires and display the traits associated with purchasing bulls based on weight for age performance. The steers in this lot all handled through the yards with ease throughout that drafting and assessing process. The Hall family cattle reap the benefits of repeat competition on their weaners as they are know for producing cattle that go on and preform on grass, crop & grain. These steers are a quality line of weaners that will not disappoint the successful purchaser. Please note this vendor have several other lots in the same sale.
