	Quiet and well handled cattle. Worked well through yards and crush at time of assessment. Small number of heifers became agitated while confined to the race and crush. Good to handle as a mob.		
Handled With	Bikes , Dogs , Horses , On foot , Vehicles		
Assessor Comments	(67) Good quality light weight heifers showing good frame for age and should offer good weight gains given the opportunity to the rite protein. Heifers are well weaned and easy to handle, clean and tidy around the head, best described as predominantly "Flat back" or euro cross types suitable to background for both domestic and export markets. Ideal light weight and low maintenance cattle to put away with the warmer months approaching.
