Assessor Comments	A very good line of Angus and Angus Cross heifers - 1 brand. Account Breeder. Lead draft of vendors heifers - not retaining any in the herd. Heifers by Carabar and Lilonga Angus Bulls. Very good line of heifers showing good bone and confirmation. Heifers had access to bulls while still on cows but due to age and weight would not expect any joining but no guarantees given. Very good heifers suitable for feedlot markets or keep as replacement breeders. Please note Vendor has 1 lot of Steers this sale. Note: Up until 10am Wednesday vendor has had 26mls of rain. This may affect projected weight gain on oats due to wet conditions. Buyers to make own judgement.
