Assessor Comments	On offer is the opportunity to secure 32 extremely well bred Angus Heifers. Heifers present in fresh forward condition. Genetics has been the feature focus for these heifers. The cow base originates from a booroomooka blood since 2017, with retain progeny since being AI'd back to Booroomooka Galileo, S Powerpoint and Aryvale Bartel, with Booroomooka			

and Ben Nivis Back up bulls. These heifers are by this base herd, AI'D to Baldrige Command and backed up by Booroomooka and Ben Nevis Bulls. This is rare opportunity to acquire incredibly well bred heifers to start or expand an existing Angus breeding program. Ready to take home and join to the bull of your choice.
