Assessor Comments	A top quality line of EU Angus Heifers. These heifers present a great opportunity to secure a line of well bred DSK Angus blood heifers that would suit breeders or finishers. The vendors cattle enjoy a great feedlot reputation and these heifers are experiencing good daily gains on forage oats. The cattle are currently cleaning up in the coat as the season changes with a small number of cattle with a small amount of lice damage. Prospective buyers bid up and buy with confidence on this quality listing.
