A nice mob of feeder weight steers to handle. Well educated. Flowed around the yards with minimum of fuss. A couple of steers fussed a little on the scales but nothing out of the ordinary. Tick all the boxes			

Handled With	Bikes , Dogs , Horses , On foot , Vehicles
Assessor Comments	A very neat line of Millah Murrah blood Angus feeder steers. Progeny of the renowned Paratrooper & Quiote Millah Murrah sires they really do look a quality article. A beautiful shape will look a picture after their time in the feed yard is up. Had all the appropriate animal health treatments including their first MH + IBR Bovilis shot batch number and bottle ID are supplied in assessment. Weighing is at the Grainforce bridge in Bathurst which is only 15 minutes away from cattle. Situated close to the CTLX centre if you wanted another deck to fill the full load. Right in the top end of the quality bracket, well worthy of very close consideration. Note the extended delivery time frame happy to work in with your induction requirements
