Assessor Comments	Elite Angus genetics, a rare and unique opportunity to access females directly from one of Australia's leading angus seedstock herds. HBR heifers bred from the Rennylea Stud Herd. These heifers are being sold commercially with a realistic reserve. They are available for Stud transfer provided they make \$2300. If the heifers make less they still can be transferred if the successful purchaser also pays the difference from the sale price up to the transfer figure. Please call agent or vendor to discuss further if needing any more information or clarity. Breeding & EBVs are attached in documents. IMF Av of this group +4.2 (top 11% of breed). 100% of these heifers have been individually genotyped. 127 heifers in total for sale over 5 lots.
