Assessor Comments	A/c Murndal Pastoral. 100 Black Baldy Heifers - August/September 2023 drop - EU Accredited - TOPS OF THE DROP!! An opportunity to secure extremely well bred Black Baldy heifers with outstanding temperament. Calves were yard weaned for 7 days from the 15th February. At weaning they received a 5 in 1 and drenched with 'Cydectin Platinum'. Heifers have been on agistment at Berrigan, N.S.W since the 23rd May and have been grazing Barley & Wheat. Due to the tough seasonal conditions at Tahara, no heifers will be retained. 'Murndal' has always been considered one of the top Hereford herds in the western districts. An operational change 5 years ago saw the introduction of Weeran Angus bulls into the system, with the progeny exceeding expectations! Heifers were a pleasure to handle in the yards and crush and come at my highest recommendation!
