| Handled With       | These steers flowed well through the yards, an odd steer got agitated when under pressure being drafted off & on the scales in the crush. Once back in the mob calmed down & were easy to handle.<br>Bikes , On foot , Vehicles                                                                                                                                                                                                                                                                                                  |

| Assessor Comments  | A great opportunity to purchase a line of Angus Steers that are showing plenty of length & frame presenting in store condition. Coming out of a tough autumn & winter, these steers have done it tough but are ready to perform. The vendor has been breeding Angus cattle for the last 25 years, always sourcing high quality bulls with good growth figures. Annual sale of steer weaners on Auctions Plus, previously sold at Barnawartha Store sales with repeat buyer competition. Selling as Grass Fed & Antibiotics Free. |
