Assessor Comments	21 EU Accredited, grass fed and antibiotic free Angus heifers. These heifers are sired by Dunoon, Alpine and Wattletop stud Angus bulls. They have been well weaned, educated and are a pleasure to handle and draft. With quality breeding in their bloodlines, these heifers would jump ahead given the chance. 25% of the heifers were purchased as cow and calf units and the other 75% are vendor bred by Snowy River Angus who have been breeding Angus cattle for 30 years. Please note that there is a lot of steers being offered by the vendor from the same property. Also 2 heifers have a minor pink eye scar that does not effect their vision.
