Assessor Comments	25 EU Accredited, grass fed and antibiotic free Angus steers. These steers are sired by Dunoon, Alpine and Wattletop stud Angus bulls. They have been well weaned, educated and are a pleasure to handle and draft. With quality breeding in their bloodlines, these steers would jump ahead given the chance. 50% of the steers were purchased as cow and calf units and the other 50% are vendor bred by Snowy River Angus who have been breeding Angus cattle for 30 years. Please note that there is a lot of heifers being offered by the vendor from the same property. Also 5 steers have a minor pink eye scar that does not effect their vision.
