| Assessor Comments  | A wonderful opportunity to secure some outstanding Angus genetics which are just surplus to requirements. Heifers sired by Milwallah Slideshow, purchased by Adameluca for \$130,000, Ardrossan Momentos Q2, Moorunga Spartan S018 and the others sired by AI No expense has been spared over the years building the Glendan Park stud. Well grown heifers for age that are very even with a very tight weight range. They are ready for the lucky purchaser to join them to the sire of their choice. They can be bought with confidence knowing that have great genetics coupled by great temperament. Highly recommended. |                 |       |                 |                |                |                |           |      |
