Assessor Comments	On offer A/c Bushy Park Angus, 66 Angus heifers, July/August 2023 drop, these heifer are extremely well bred with plenty of breeding behind them as vendor use's top of the range bulls such as Millah Murrah Klooney and Pathfinder Genesis. These heifers have good frame to put weight on if shown the right conditions they would be great cattle to retain as future breeders or to grow out for a trade option. At assessment they averaged 245kg and 100% weighed between 220-338kg. All animal health is up to date with these heifers as they were drenched on the 17-6-24 with Vetmec LA and had their 2nd dose of 5in1 back in February. Buyers please note that roughly 2 head with ringworm that isn't effecting the health of the cattle.
