Assessor Comments	33 Angus/Friesian cross steers 5-6 months old Ave 148.2Kg (curfewed) A great opportunity to purchase a vendor bred line of steers bred by Ardno Angus sires out of Friesian cows. After a tough Autumn these steers are in store condition and would respond quickly to feed. Ideal cattle to grow out to feeder weights or take on and fatten. Vendor is keen to move these cattle on and has a realistic reserve. *** Note vendor has 19 head of the heifer portion in the same sale***
