Assessor Comments	Buyers today we have to offer 19 Angus / Angus Cows. These Cows were purchased by the Vendor as young Heifers from NSW and have been part of their program since. Please note only selling due to change in direction. All Cows are fit, sound and have always done a good job of their Calves. Cows range from 4 - 5 years of age and are a healthy average of 419kg on delivery. These Cows have been station mated with Angus Bulls and 1 Speckle Park Bull. It is notable that the Cows are looking in Calf however have not been tested or guaranteed. Please note it was noted that there are a few Cows with a slight blue blemish in their eyes. This is an excellent opportunity to secure yourself 19 very quiet Angus Cows. They have been pretreated with Cydectin LA to help the clearing process. Please note cattle are located in a tick zone and will require clearing before moving across the tick free line. This will be at the purchaser's expense.
