Assessor Comments	Buyers. This is a regretful sale of a nice line of PTIC 3rd calvers that have had all the hard work done. These cows present in store condition with plenty of frame and breed type. Cows show nice length of body. These cows are all No 1's being bought as PTIC heifers from Perrietts at wandoan in 2022. These cows are very fertile being preg tested every year. All cows are PTIC 3 to 7 months to top quality Santa sires. Cows worked very well through yards. These cows are only for sale due to loss of agistment. This is a great opportunity to purchase young PTIC cows.
