Assessor Comments: Buyers a neat deck lot of PTIC Angus heifers account the Rynne Family. A little line of top quality moderate to large framed Angus females possessing all the attributes to grow into great breeder cattle. These heifers were very easy to handle at assessment, the cattle are bred naturally quiet through bull and female selection plus all the Rynne Family cattle go through extensive handling through their weaning processes to ensure safe and hassle free stock handling every time. These heifers are bred out of the Rynee Family's Angus cow herd sired by top of the line Booroomooka and Pathfinder Angus sires, the family go through extensive selection processes when selecting bulls to go into their cow herd. The Rynne family have significant investments in top line bulls for their commercial operation and the sires of these heifers are no different. This lot of heifers are joined to and PTIC to Angus sire Pathfinder Complete P671.
