Assessor Comments	Buyers a good opportunity to purchase a well bred line of Santa and Santa X Heifers PTIC to LBW Angus Bulls. These Heifers would be an asset to any breeding operation. Heifers are all very clean and tidy around their heads, showing good types with feminine traits. These Heifers were purchased from AuctionsPlus earlier in the year as the lead of the Spinecob annual sale. All Heifers given the right opportunity will grow into very good moderate framed Cows. When these Heifers were pregtested there were 57hd 4mths+ and the balance being under 4mths. Please take into bidding allowances for 1 Heifer has a swollen leg from a piece of wire, vendor will guarantee this Heifer that she has had treatment for this and will not effect her breeding ability. Please note same vendor same sale has another lot of PTIC Heifers also available for sale.
