	Young Heifers that have been mucked around with for a week mothering up worked well through the yards with the odd hieffer being agitated while put under pressure		
Handled With	On foot , Vehicles		
Assessor Comments	A nice line of medium frame Hereford X heifers that are doing an outstanding job of their calves. While the heifers are looking for more feed now they have good lumps of calves on them, they would certainly go ahead in leaps and bounds given the opportunity. As these heifers haven't had the opportunity back to the bull you can join them up to the bull of your choice knowing that they have done it all before on their own.
