Assessor Comments	Buyers, an opportunity presents itself to purchase a neat line of 17 weaned Angus & Angus infused steers. These steers present in store condition and will offer plenty of compensatory weight gain once settling into their new environment due to having been fully weaned & handled. Steers show all attributes to make great future feeders or bullocks, and will excel on grass, crop, or grain. The group are very good to handle and would be easy to have around. Vendor also selling a lot of heifers in same sale. Please see photos and video for full satisfaction.
