Assessor Comments	Very nice line of heifers ideal to breed or feed. Heifers were all over 280kg @ Assessment ideal to put away for a quick trade in spring or push on for domestic kill markets. Heifers have been on a fresh green paddock and are doing well and should power ahead if given the opportunity. Plenty of frame and heifers would shape up nice on crop or feed. A small sample of Limousin and Euro type heifers with lots of shape. Only 1 Black coated heifer very slight hump. 1 Shorthorn heifer blue eye. Small number of heifers starting to rub on neck. suspected to be more by delivery date.
