Vendor Comments

Steers have done well on Oat crop since weaning. Need to sell to make room for calving cows.

Assessor Comments	A very good line of vendor bred Angus steers, presenting in fresh forward condition. Grazing on Oat crop since weaning, just starting to do as season develops. Would be suitable to grow on to feeder weights or equally suitable to grow out and finish on grass. Two steers with slight warts, one steer with small white markings on pizzle (See Photos.). Vendor has other lot of Angus Heifer Yearlings in same sale.
