Assessor Comments	An outstanding line of Angus Steers that are ready to explode with some good feed and warm weather. These Steers were purchased from renowned high country breeders including Dean's, Black Mountain Station and the Anderson Family from the Omeo Angus breeders sale. These cattle have plenty of frame for age and the successful purchaser will get an enormous amount of compensatory weight gain. An outstanding opportunity presents itself to purchase a straight B-Double of steers on the doorstep of spring. Note 3 steers were seen to have a slight blemish in the eye, considered not detrimental, 1 steer has white under his belly to the naval. Please note vendor has one other lot of 90 steers in the same sale.
