Assessor Comments	Well bred steers to put away and take through to feeder weights or finish. Majority of the steers are good types with plenty of shape. A couple on the younger & lighter end have done it tougher but will be fine with feed and time. Steers are by high			

quality Speckle Park sires that the vendor uses in their stud operation. Please note that 5 of these steers were only castrated on the day of assessment and some are starting to rub and would benefit from a lice treatment.
