Assessor Comments	Buyers a neat lot of NSM Angus heifers ready to join to the bull of your choice, account the Rynne Family. These heifers were very easy to handle at assessment, the cattle are bred naturally quiet through bull and female selection plus all the Rynne Family cattle go through extensive handling through their weaning processes to ensure safe and hassle free stock handling every time. A little line of top quality moderate to large framed Angus females possessing all the attributes to grow into great breeder cattle. The Rynne family have significant investments in top line bulls for their commercial operation and the sires of these heifers are no different. These heifers are bred out of the Rynee Family's Angus cow herd sired by top of the line Booroomooka and Pathfinder Angus sires, the family go through extensive selection processes when selecting bulls to go into their cow herd. If you are after top line angus females with copious amounts of genetics behind them than look no further.
