Assessor Comments

Buyers a very good line of young well bred Angus Cows that have had all the hard work done. These Cows are genuine Cows and are only being sold due to agistment country running out. Cows are PTIC to Milwillah Angus Bulls that the vendor purchased last year paying upwards of $25,000 targeting high growth and EMA. Cows are good breed types showing good softness and depth of body and would be an asset to any breeding operation. These Cows are good moderate framed medium to large framed Cows. These Cows have really started to go ahead since these Cows have been drenched showing loss of old hair.
