| Assessor Comments | A quality offering of young Angus cows joined to the Wagyu bulls, that present in forward store condition. All cows are of Bald Blair and Kenny Creek bloodlines. They have been very well handled and would be the quietest cattle I've assessed for AuctionsPlus. Twenty three cows were AI to the impressive Arubial United PO342, considered one of the leading bulls in the Wagyu breed and four are in calf to Trent Bridge K0012. These are well bred, quiet young cows, with years ahead of them. Please note that the bulls pedigree/details are in the photos. One cow presents with white on the udder. |
