Assessor Comments

Corrievale Pastoral Co offers 48 PTIC Angus second calvers as a reduction sale. These are a outstanding line of Angus cows, with high end Hazeldean Angus sires meticulously selected for low birthweigh, docility and carcase attributes. The cows were joined for an 8 week period, due to start calving at the end of October. Corrievale has made a significant investment in the breeding of these cows, providing an excellent opportunity to secure a superior line of second calvers.
