Assessor Comments Quality line of Angus heifers PTIC to LBW Jade Park Angus Bulls, these heifers were purchased in May last year as vendor bred weaners out of Wangaratta Store Sale, sired by Alpine and Te Mania Angus bulls. They have grown into lovely framed females in ideal calving condition. They are expected to commence calving late September. Offering a total of 46 heifers over 2 lots of 23. Please note there was 2 heifers with white on their udder and 3 heifers have cloudy eyes and there was also 4 heifers that have had lice but all heifers were drenched at preg testing and it appears to be clearing up nicely. Buyers please note the "run out the gate" method will be used at delivery. Vendor has an additional 22 head in this sale which are a different bloodline.
