|             | Quiet: 1 head                                                                                                                                                                                                                              | Quiet: 1 head | Temperament not assessed in Paddock |
|             | Very good to handle through the yards and on the scales. Vendor's use a zero tolerance approach to stirry animals. The Herd has been culled rigorously for Temperament over the Years and you will only find quiet cattle on the property. |               |                                     |

|                               |                                                                                                                                                                                                                                                                                                                                                                                              |
