Assessor Comments	Excellent quality young Wagyu females that have been pregnancy tested empty. Only two head in this lot have had a calf before the remaining 7 are heifers that havent had a calf. These are fully registered Wagys with the Australian Wagyu Association, the successful purchaser has the ability to transfer their registration at their expense. Full breeding pedigree for each animal is attached as a link to the assessment. They are only being offered for sale as they are surplus to the vendors requirements and to make room for this years calves coming through. Realistically reserved and priced to sell. Perfect starter mob for anyone wishing to get into pedigree Wagyu cattle.
