| Assessor Comments | Buyers an opportunity to buy 3 decks of VGQ PCAS eligible Droughtmaster x weaner steers. These weaners have all the right bloodlines and genetics and are best described as medium to large frame relative to age. Weaners have been weaned for over a week and up to 3 weeks at delivery and are very well educated by vendor through yards. A very reputable line of cattle for sale that have plenty of bone, length & confirmation. Steers that have a good performance record and will suit to grow out as heavy feeders or bullocks. Note 2 x family brands in this line. |
