Vendor Comments

We only run a handful of breeders, and these are our total draft of steers. happy with the growth rates

Temperament	Hip Height		Store Condition		Muscle Score	
	110-130 cm	100%	Fwd Store	100%	D	100%
	Yards		Crush		Paddock	
	Quiet: 10 head		Quiet: 10 head		Temperament not assessed in Paddock	

Handled With	A quiet draft of Steers to handle during assessment process, Steers drafted well and easily away from the heifers(also in this sale) prior to assessment taking place, the noise of the steel panels wasn't too bad with steers walking through race and crush with ease, no concerns Bikes , On foot , Vehicles
Assessor Comments	A nice draft of Santa/Hereford cross steers. For the age these steers are displaying plenty of length and good bone structure. Ideally these would be ideal to finish on crop or grow to either Heavy feeder steers or put in paddock and grow into young bullocks. All natural polled with nice clean coats. These vendors only run a small number of breeders and this is their total draft of steers being offered. This vendor also has 9 Heifers of same draft in this sale
