These Heifers were easy to handle during assessment process, they drafted away well from the Steers (also in this sale) and were easily settled till their time come along. We have no reason for concern with these heifers

Handled With	Bikes , On foot , Vehicles
Assessor Comments	Weaned Santa/Hereford Heifers, ideally these could be great to put away as future breeder's, they have come from a good line of quality females that milk well and grew out to be large frame breeders. Heifers with this cross are hard to find so this is your opportunity to get a small group. Heifers like these also would work well in the trade feed job. A nice cross of the Santa/Hereford heifers weaned and ready to go. This vendor also has 10 Steers in this sale.
