Assessor Comments	A nice small lineup of good quality Limousin heifers on account of the Dalby State High School. All weaned and started on the oats, these heifers are ideal backgrounders to be put back onto oats to get up to feeder weights or have the quality to be kept as breeders. These heifers have great structure with plenty of length and depth to them. Well handled heifers that suit any market. The vendor has another lot in this sale 11 very similar weight Charolais cross heifers .
