Assessor Comments	A very good line of soft crossbred heifers. 1 Brand Account Breeder. Vendor is retaining no heifers and 20% tail has been taken out of this draft. Vendor cow herd is principally - Angus, Angus Cross, Santa, Droughtmaster with mainly Angus Bulls but also 1 Hereford and 1 Simmental Bull. Heifers show good growth and bone and good soft crossbred type. Please see photos and video for breed description. Bulls were running with these heifers whiles calves on cows. Due to age and weight I would not expect any in calf but no guarantees given. Very good heifers suitable for breeding operation or to take through to trade/export feeders. Note vendor has 1 lot of Angus Heifers this sale.
