Assessor Comments	A good line of well bred Angus Heifers that are the ideal article to join to a Bull of your choice. These Heifers were purchased as the leads of the Blue Ribbon Weaner sale from Stanthorpe earlier in the year being from the Smith Family Cow herd and the Horse Gully Pastoral Cow herd. Heifers were selected on breed types and depth and softness when purchased. These Heifers were originally purchased for a breeding program but due to a change in program these Heifers are now being offered for sale. These Heifers show good weight for age, depth of body with good feminine traits and would be an asset to any breeding herd. These Heifers are based on Texas Angus and Clunie Range Angus Bloodlines. Buyers bid with confidence.
