Assessor Comments	A tidy line of black heifers that whilst predominately Angus/Angus in appearance, do have a handful of heifers that show a slight Santa influence. Heifers were purchased from the Tent6erfield Angus feature sale in March to be retained as breeders, however a change of direction has led to their sale. Consider suitable for most commercial operators to join immediately to a bull of choice, and be incorporated into a breeding herd. Alternatively to grass or grain fatten to high quality carcasses at a heavier weight.
