Assessor Comments	A very even line of Angus X Angus NSM future breeder heifers, a great opportunity to purchase future breeders with frame and structure present. Heifers are sired by Millah Murrah & OnSlow Blood Angus Genetics. Heifers were purchased in April as two mark lines in the central tablelands, they have done significantly well since then and been growing out well on oats crop. An opportunity to purchased an even line of future breeds, which are a pleasure to handle in & outside the yard. "Please note these heifers are being sold as two lots of 61hd run out they gate".
