These steers were no trouble to handle. The odd steer moved quick if isolated but settled immediately when back with his mates.

Handled With: Bikes , Vehicles

Assessor Comments: A small even lot of well bred Angus steers. Sired by a Knowla Power Play Stud Angus bull. These steers are well grown and stand on good bone. They have plenty of length and are starting to really appreciate the sunny days. It has been a particularly wet winter in this area and these steers will explode from here on. Currently losing plenty of old hair and starting to clean up. They are up to with all vet treatments as listed earlier in this assessment. Ideal steers to finish on grain or crop. They should meet a range of markets - Supermarket through to Heavy Export. Vendor bred, Antibiotic Free and Grass Fed. NB 2 additional lots in same sale - 9 Steers and 11 Heifers.
