Assessor Comments Outstanding line of one mark Angus heifers that are fresh and forward in condition. These heifers are very well grown and

	set up ideal for a spring join. Maternal type females with shape and softness to go on and be a quality addition any herd. Heifers are by very good quality Pentire Angus Bulls out of Predomintley Gilmandyke bred cows with addition of Dunoon and Booragul blood cow herd. Heifers weighed 300-397Kg @ Assessment and would be ideal to take on and fatten if given the opportunity. Two heifers small blue spot in one eye. Small percentage of heifers starting to rub around neck. Top Quality heifers ideal to breed or feed!!!
