Assessor Comments	37 NSM potential future breeder Angus heifers, 12 - 13 months of age. These heifers were purchased with the intentions to join and blend in with some other heifers at the time. Due to a change in management these heifers will be for sale and would suit a genuine future breeder. With reputable bloodlines such as Hazledean, Kenny's Creek, Brookfield Park, Murrabah and Braidwood Angus these heifers speak for themselves. Heifers are in Forward store to Prime condition and are ready to join to the bull of your choice.
