Assessor Comments	19 x 19 Angus Friesian cows, 2nd & 3rd C.A.F by Pure Angus bulls, Redepast same 5/6 till 23/8. An opportunity to purchase a line of first cross cows right in their prime and rejoined for autumn calving, more than likely a 3 for 1 buy. The cows were purchased at the Annual first Cross heifer sales as springers in Feburary 2021 & 2022 and some were the top priced springers on that sale day. They have done a top job on their previous calves and have grown out themselves into medium large and large framed breeders. Very quiet and easy to handle.Plenty of milk and the calves are very sappy and are showing very good butt shape. Cows and calves are all tagged with farm eartags and vendor can provide this detail, as well as calf birth dates if required. The male calves were marked with rings on 5/6 and given their first 5 in 1 vaccine. Coming into the spring these outfits are ready to boom and the calves will make top vealers. Purchaser can negotiate or leave out the 3 cows with listed traits.
